

Oregon Prayer Call:

7-8pm Tuesdays: 712-770-4005; 236108#

Getting on the conference call is easy. Just call 712-770-4005 and, when prompted, input the access code 236108#.

The **Oregon Prayer Call** brought together multiple regional prayer calls beginning on 8/28/14 for an hour of intercession encompassing our whole state. We lift up state and regional issues seeking to release God's blessing. Each week we pray for one of the "mountains" or spheres of influence and one of the "valleys" or areas of need in our culture. For example we might cover the mountain of education and the valley of orphans. The first half hour incorporates the previous Coast Aglow call facilitated by Coral Rose Shipley from Seaside. The second half hour is facilitated by Betty Denny from Trail, who is also the coordinator of the I-5 Diamond Prayer in SW OR and NW CA.

If you have difficulty getting on the call with the above number, there is a backup number that you can call first: 518-333-1525, then input the above conference number with # and the access code. Most smart phones allow you to create a Contact with a Wait / semi-colon between the numbers like this: 518-333-1525;712-770-4005#;236108#, and will prompt you to put in the next set of numbers when the message from the conference service asks for it. Now that is easy!
